SOLD

Les Issambres, Pieds dans l'eau. Unique! Exclusive and rare!

Very beautiful located and ready to step in is this beautiful ground floor / single storey villa with garage and private swimming pool, right at the Mediterranee with beautiful views at and over the Gulf of Saint Tropez.

The villa has a cozy living room with fireplace and a mezzanine in the round Provençal 'tower'. There is a dining room, located at the open well equipped kitchen, and a covered terrace / veranda / outdoor lounge - which can be full closed- connected to the living area.

There are 5 modern and spacious bedrooms with an 'en-suite' bathroom with shower and / or bath and separate toilet. Two bedrooms share a complete bathroom and 4 bedrooms are equipped with air-conditioned.

The site is well maintained and completely fenced.

The overflow pool is approx. 8 x 4 m and is equipped with a heat pump. The garden has several attractive seats and dining area's with awning; on hardwood, natural stone and / or artificial grass, and is very easy to maintain. There is a 'terrain des boules' to be able to close off the sunny days in a sporting way.

Through the garden there is a direct access to the sea and under the swimming pool is a storage / boathouse is located. The attached garage, which can be opened on two sides, completes the property. At the front side of the building there is ample parking for at least 2 cars on private grounds. All is in very good condition.
