This is a rare property in the heart of the lively Provencal village of Roquebrune. The property consists of a large apartment on the first floor of 110 m²: a spacious light salon with high decorated ceiling opens out on a lovely terrace overlooking the garden with swimming pool . It has a separate kitchen, 3 bedrooms and a bathroom.

Located around the swimming pool, we find the two completely separate apartments with their own independant entrances to the road. One apartment of 70 m² containing a living room/kitchen, two bedrooms and a shower room. And a second apartment of 50 m² with a living room and open kitchen, office area, bedroom and shower room.

The apartments have a potential rental income of 650 and 700 €/ month respectively. This property is very attractive as a second home with rental possibilities for the two apartments, as an investment property or for an extended family.

Roquebrune-sur-Argens is very popular due to its lively and Provencal city centre combined with its central location, only 15 mins from the beaches and 10 mins from the motorway.
